

ACCOUNTCHEK® ASSET VERIFICATION

Bringing together security, simplicity, and accuracy

MEET ACCOUNTCHEK®

With the click of a button, AccountChek eliminates the need for you to collect the checking, saving, retirement, and investment statements we require. Instead, the asset information we need for your loan application is collected directly from your financial institution(s). It's simple, accurate and ultra-secure.

SECURITY AND ACCURACY ARE OUR TOP PRIORITIES

Our security procedures meet the high standards used by banks and other ultra-secure institutions. As a result, submitting information through AccountChek is more secure than emailing, faxing or mailing copies of your bank statements.

- State-of-the-art security
- Read-only product
- Data is kept private
- Security Monitoring 24/7
- Fast and easy. The Lender can complete the process in just a couple of minutes
- AccountChek adheres to strict compliance and security measures.
- All access is read-only.
- 3n1 provides WVOE, paystubs and W-2s.
- Can complete process online or on their smart phones.
